## NELSON

NEW HAMPSHIRE

For Year Ending December 31, 1995

### About the covers:

On August 18, 1915, many Nelson residents and friends gathered to dedicate a large bronze tablet in honor of Nelson's 124 Civil War volunteers. According to the program of that day's events, there was a "Posterity Box" on display which was to be filled with items intended to "show posterity the nature of Nelson and her inhabitants in the year 1915." Before the large tablet was mounted on the front of the Nelson Town Hall, this copper box was sealed and placed in a recess between the building's studs. Historical records of these events do not indicate when this Box was to be opened. In 1995, given that only a few residents who had participated in the original festivities were still alive, Nelson's Old Home Day Committee was asked to verify the existence of this Box, and, if it was found, to catalog and display the contents. The front cover, which shows the ceremony on the common, is a reproduction of one of the many photographs and other items discovered in the Box when it was opened during a special Reminiscence Night gathering in the Old Brick Schoolhouse on Tuesday, August 8, 1995. The contents were also displayed on Old Home Day, August 12, 1995, and now reside in the Town archives. On the next page is a summary of what was found in the Box.

The back cover depicts Nelson's main roads and some of its topographical features. Such maps are used by law enforcement, Fire and Rescue Departments and will assist in the development of Nelson's part of the E-911 emergency system.

## CONTENTS OF THE POSTERITY BOX

### Newspapers and Periodicals

1. *New Hampshire Sentinel*, Wednesday, August 25, 1915.
2. *New Hampshire Sentinel*, Wednesday, September 1, 1915.
3. *New York Times*, Monday, October 4, 1915.
4. *The Nelson Clarion*, Vol. 1, No. 1, March 1870.
5. *The Nelson Clarion*, Vol. 1, No. 2, May 1871.
6. *The Outlook*, October 20, 1915 (a weekly magazine of current events and commentary).

### Town Reports

1. Annual Report, Nelson, N.H., 1915
2. Annual Report, Nelson, N.H., 1916

### Booklets

1. *Granite Lake Grange P. of H. No. 115, Munsonville, N.H., 1915*. Printed booklet of the programs for year 1915.
2. *Names and Services*, August 18, 1915. Record of Nelson soldiers who fought in the Civil War and the program for the dedication of the memorial tablet. (2 copies)

### Postcards

1. Mt. Monadnock from Nelson, N.H.

### Town Organizations

1. Young Peoples Society Christian Endeavor of Nelson, N.H.  
List of officers and members in 1915.
2. Pupils of the Munsonville School in 1915.
3. First Orthodox Congregational Church, Nelson, N.H.  
List of officers and members in 1915.
4. The Ladies Aid Society.  
List of officers and members.
5. Nelson Congregational Church Sunday School.  
List of officers and members.
6. The Methodist Episcopal Church in Munsonville, N.H.  
List of members in 1915.
7. Granite Lake Grange No. 115, Patrons of Husbandry.  
List of officers and members.

### Nelson's Civil War Soldiers

1. Documentation from the Lovejoy family that George, Miles, and Ruben Lovejoy were born in Nelson and served in the Civil War. (Their names are not on the Tablet)
2. Photographs of the following soldiers: J. Newton Breed, George Granville Hardy, Edward Brown Holt, Marquis Lafayette Holt, Sumner P. Fisher, Edwin P. Hunt, George W. Osgood, George S. Petts, James H. Scott, Dr. Albert H. Taft, and Edward R. Taft.

### Other Photographs

Numerous other photographs were included in the Posterity Box that show Nelson village and individual houses in the town in 1915. There are also many photographs of town residents that will be included in a detailed inventory of the contents of the Box that will be available for reference when the accession to the Nelson archives has been completed.

Frankie Brackley Tolman	

### **Bookkeeper**

(appointed)

Donna C. Kidd

### **Town Officers' Assistant**

(appointed)

Mary E. Davis

## REPORT OF THE SELECTMEN

Construction has begun on the new library and connecting structure. This process took a lot of time and effort on the part of your Library Trustees, the Selectmen, and many other Town residents. We look forward to moving into the new building this summer. The Town is appreciative of the generosity extended by Bess and Jack Bradshaw and Janette Seixas for granting easements to the Town which allowed the library project to proceed.

We also wish to thank Henry Fuller for donating two tracts of land to the Town, one of which constitutes an addition to our cemetery. We understand that this new section will begin to be used once all the lots in the current cemetery are sold. The iron gates to the addition were built with labor donated by Troy Tucker.

The Selectmen are continuing negotiations over who will maintain old Route 9. Because the State felt that they were absolved of responsibility, this road went unplowed for 1 day during a snowstorm last October. Due in part to help from State Representative Bill Riley, and State Senator Beverly Rodeschin, the New Hampshire Department of Transportation has agreed to do winter maintenance of this road through April, 1996.

The Selectmen plan on requiring the State to maintain this road, summer and winter, in perpetuity, based on the law pertaining to unfunded mandates. Since there are some potential downsides and costs associated with this course of action, we are putting this issue to the voters by way of two articles on this year's warrant. If the voters agree with the Selectmen's positions, this will make for a stronger case against the State.

We are seeing a marked increase in the number and kinds of policies, rules and requirements created at State and Federal levels which towns are being compelled to implement. Two such major issues with which Nelson is presently dealing are: 1) mandatory drug and alcohol rules which require policy and testing procedures for town employees who operate heavy equipment and, 2) adoption and implementation of a complex "joint loss management" (safety procedures) policy of which the effectiveness is unknown and dubious.

During 1995, Nelson was deprived of a number of long-time residents who contributed much to this Town over the years. Some of them died, some moved away. In any event, their absences are deeply felt.

Finally, we would like to sincerely thank the many groups, boards, committees and individuals who work so hard and give of their time and energy. In particular, we would like to acknowledge the contributions made by several of our younger residents. In recent years, this town has benefited from a variety of well-planned and well-executed Eagle Scout projects. These young men, like their elders acknowledged above, are a significant part of what makes Nelson such a special community.

## SELECTMEN'S CERTIFICATE

This is to certify that the information contained in the following reports was taken from official records and is correct to the best of our knowledge and belief.

Terry A. Mednick  
Walter H. Rohr  
Matthew Tolman

## AUDITOR'S CERTIFICATE

I hereby certify that I have examined and audited the accounts and records of the Town of Nelson for the fiscal year ending December 31, 1995.

The records and accounts include those of the Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Cemetery Board, Library Trustees and Boat Agent.

To the best of my knowledge and belief, I certify that the accounts and records of the above are true and correct.

Richard J. Lothrop  
Auditor

## TOWN WARRANT

TO THE INHABITANTS of the Town of Nelson, in the County of Cheshire, State of New Hampshire, qualified to vote in Town affairs: YOU ARE HEREBY NOTIFIED to meet in the Town Hall in said Nelson on Tuesday, the 12th day of March, 1996, at 12:00 noon to act upon the following articles:

POLLS will open at 12:00 noon and close at 8:00 p.m.

BUSINESS MEETING will start at 7:00 p.m.

### ARTICLES OF A GENERAL NATURE

1. To choose necessary Town Officers for the year ensuing.
2. To see if the Town will vote to raise and appropriate the sum of \$87,286 to defray Town charges for the year ensuing. (The 1995 appropriation was \$82,675.)
3. To see if the Town will vote to authorize the Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose. This authorization, in accordance with RSA 31:19, shall remain in effect until rescinded by a vote of the town.
4. To see if the Town will vote to authorize the Selectmen to accept, on behalf of the Town, gifts of personal property (other than cash) to the Town for any public purpose. This authorization, in accordance with RSA 31:95-e, shall remain in effect until rescinded by a vote of the town.
5. To see if the Town will vote to raise and appropriate the sum of \$3,000 for an interior survey of the new section of the Nelson Cemetery. This article shall be non-lapsing for a period of two years or until the project has been completed, whichever comes first. The Selectmen and the Cemetery Board recommend this article.
6. To see if the Town will vote to raise and appropriate the sum of \$1 to be added to the Revaluation Capital Reserve Fund. The Selectmen recommend this appropriation. (The 1995 appropriation was \$1. The current fund balance is about \$9,410.)
7. To see if the Town will vote to raise and appropriate the sum of \$13,578 for support of the Town Library. (The 1994 appropriation was \$12,776.)

8. To see if the Town will vote to raise and appropriate the sum of \$1,800 as its share of the operating costs of the Home Health Care and Community Services. (The 1995 appropriation was \$1,800.)

9. To see if the Town will vote to raise and appropriate the sum of \$557 as its share of the operating costs of Monadnock Family Services. (The 1995 appropriation was \$535.)

10. (by petition) To see if the Town will urge our representatives to the General Court of New Hampshire and the United States Congress to pass laws reforming electoral campaign financing, thus returning the political process to the will of the people and encouraging the participation of candidates with great ability and limited means. Measures to accomplish this may include, but not be limited to, the following: 1) sharp limitations on all forms of contributions to candidates, including soft money contributions (contributions to political parties); 2) maximum spending limits per election linked to geographic and demographic makeup of each state and district, such as \$1.00 per voter; 3) sharp limitations on all forms of spending to influence elections, including independent expenditures; 4) sharp limitations on contributions to and spending by political action committees; and 5) remedies, such as free broadcast time, postal subsidies and democratic (public) financing, to balance inequities between credible candidates, incumbent and challenger, rich and poor. The Selectmen choose not to render an opinion on this article.

11. (by petition) To see if the Town will vote to raise and appropriate the sum of \$500 for the providing of meals to needy Nelson residents furnished and distributed by the Community Kitchen, Inc. The total cost of providing 1,886 meals to Nelson residents during the twelve month period of 1995 was \$849.00. All towns in the Monadnock region are being requested to provide funding to The Community Kitchen to help defray the costs of serving and distributing meals in 1996. The Selectmen do not recommend this article.

12. To see if the Town will vote to raise and appropriate the sum of \$1 to be added to the Town Hall/Schoolhouse Capital Reserve Fund for the renovation or remodeling of the Town Hall or Old Brick Schoolhouse, it being understood that no withdrawals may be made from the fund except by vote of the Town. The Selectmen recommend this appropriation. (In 1995, \$1 was appropriated. The current fund balance is about \$2,556.)

## ARTICLES DEALING WITH PLANNING & ZONING

13. To see if the Town will vote to raise and appropriate the sum of \$612.70 as the Town's share for membership in the Southwest Regional Planning Commission. (The 1995 appropriation was \$605.)

14. To vote on the proposed amendment to the Nelson Zoning Ordinance (written ballot required):

*The following proposed amendment to the Nelson Zoning Ordinance was written by the Nelson Planning Board, in consultation with the Nelson Zoning Board of Adjustment. This amendment was unanimously approved at the public hearing held on Thursday, January 11, 1996.*

### **Proposed Driveway Ordinance**

1. No driveway shall be constructed or altered within the right-of-way of any road under the jurisdiction of the Town of Nelson, until a written permit has been issued by the Selectmen. All permits shall include a construction plan with sufficient detail to demonstrate compliance with this Ordinance.

2. All driveway construction shall conform to the following specifications, unless a special exception is granted as provided in this Ordinance:

a) Driveways shall be thirty feet wide at their intersection with the road, and for a distance of at least twenty feet from that point.

b) Driveways shall be constructed to slope away from the road's surface at a grade of one-half inch per foot for a distance of at least ten feet back from the ditch line.

c) Driveways shall intersect the road at an angle of ninety degrees, unless the driveway is located at the end of a road.

d) In cases where the road is paved, the driveway must be paved for a distance of at least ten feet from its intersection with the road.

e) The landowner shall maintain unobstructed visibility from the driveway's intersection with the road for at least 250 feet in each direction along the road in all seasons of the year.

f) Driveways shall not interrupt the natural or ditch-line flow of water. Appropriately-sized culverts (fifteen inches minimum diameter, thirty foot maximum length) shall be installed and maintained by the landowner in locations deemed necessary by the Town. In cases where a shallow ditch line or natural drainage courses already exist, an alternative rainage plan better suited to the driveway's location may be permitted.

g) In a multi-lot development, or in cases where multiple dwellings occupy a single lot, common driveway entrance(s) to the road may be required in order to minimize the number of curb cuts.

3. Special exceptions to the above specifications may be approved by the Planning Board (if a new subdivision) or by the Zoning Board of Adjustment (if an existing lot):

a) if the resulting driveway would promote proper drainage, be better suited to the topography and location, and permit a safe and controlled access to and from the road, in all seasons of the year, under projected local road and traffic conditions, OR

b) if strict compliance would preclude access to a pre-existing lot of record.

4. In determining if the above criteria for a special exception exist, the appropriate board may require an on-site inspection and recommendation by the Nelson Road Agent and/or other qualified expert(s). Based on their findings, the appropriate board may require, as a condition of approval, that the landowner comply with such terms and conditions as may be necessary to protect public safety and preserve abutting property.

5. The terms and conditions of all special exceptions granted under this Ordinance shall be described fully on the final plat prior to subdivision approval (for new subdivisions), and on all permits.

6. Landowners failing to comply with this Ordinance, or with the conditions specified on subdivision plat or permit issued hereunder, shall be liable for all costs incurred by the Town of Nelson to correct the non-conformance and restore the road and right-of-way to their pre-existing condition.

## ARTICLES DEALING WITH SERVICE AND PROTECTION

15. To see if the Town will vote to raise and appropriate the sum of \$3,500 as a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 1995 was \$4,500.)

16. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the proper expenses of the Police Department. (The 1995 appropriation was \$5,000.)

17. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the proper expenses of the Fire Department and Rescue Squad. (The 1995 appropriation was \$5,000.)

18. To see if the Town will vote to raise and appropriate the sum of \$750 for emergency lighting for the rescue vehicle.

19. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Fire Equipment Capital Reserve Fund, it being understood that no withdrawals may be made from the fund except by vote of the Town and upon recommendation of the Fire Department. The Selectmen recommend this appropriation. (The 1995 appropriation was \$10,000. The current fund balance is about \$61,057.)

20. To see if the Town will vote to raise and appropriate the sum of \$1 to be added to the Fire Station Capital Reserve Fund, it being understood that no withdrawals may be made from the fund except by vote of the Town and upon recommendation of the Fire Department. The Selectmen recommend this appropriation. (The 1995 appropriation was \$1. The current fund balance is \$6,015.)

21. To see if the Town will vote to raise and appropriate the sum of \$835 for road name signposts.

#### ARTICLES DEALING WITH ROADS

22. To see if the Town will vote to accept and henceforth fully maintain the section of old Route 9 which extends from the Nelson Road intersection westerly to the intersection with the old Concord Road across from the Walter's farm, it being understood that to do so will increase the amount of article 24 by \$3,000.

23. To see if the Town will vote to henceforth undertake winter maintenance of the section of old Route 9 which extends from the intersection with the easternmost access ramp of new Route 9 easterly to the Stoddard town line, it being understood that to do so will increase the amount of article 24 by \$10,000.

24. To see if the Town will vote to raise and appropriate the sum of \$135,000 for general highway expenses and labor in the maintenance of the Town's roads and bridges. (The 1995 appropriation was \$125,000.)

25. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the Town and upon recommendation of the Road Equipment Committee. The Selectmen recommend this appropriation. (The 1995 appropriation was \$10,000. The current fund balance is about \$19,702.)

26. To see if the Town will vote to raise and appropriate the sum of \$10,000 for materials for shim work on certain paved sections of town roads. This sum is to be non-lapsing for two years or until the completion of the projects, whichever comes first. Labor, trucking and application shall be paid form the general highway budget (article 20). The Selectmen recommend this appropriation. (A similar article in 1995 appropriated \$10,000.)

27. To see if the Town will vote to raise and appropriate the sum of \$5,200 or authorize its withdrawal from the Road Equipment Capital Reserve Fund for the purchase of a replacement road rake. The Selectmen and Road Equipment Committee recommend this appropriation.

28. To see if the Town will vote to raise and appropriate the sum of \$7,500 or authorize its withdrawal of from the Road Equipment Capital Reserve Fund for the purchase and modification of a used truck. This article shall be non-lapsing until the day of Town Meeting in 1997. The Selectmen and Road Equipment Committee recommend this appropriation.

<sup>P</sup> 29. To see if the Town will vote to raise and appropriate the sum of \$17,499.40 for the 1996 payment on the International dump truck presently being leased by the Town. The Selectmen recommend this appropriation. (A similar article in 1995 appropriated \$20,299.40. This is the second of four annual payments.)

#### OTHER ARTICLES

30. To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

Given under our hands and seals this 14th day of February in the year of Our Lord, nineteen hundred ninety-six.

A true copy of the warrant, Attest:

Less Selectmen's Orders Paid	1,207,616.43
Ending Balance	334,716.31

Prepared by Harold Gerbis, Town Treasurer, January 1996

## LIBRARIAN'S REPORT

The focus in 1995 at the Olivia Rodham Memorial Library, was on the new library now being built. Trustees of the Olivia Rodham Memorial Library, architect Tom Weller and associates, representative selectmen and other interested townspeople attended 17 meetings to decide on construction issues for the new library. The design was finalized and a general contractor was designated for the project. The projected date for opening the new library is this summer. The committee for the new library is still working on plans for indoor furnishings and welcomes any community support in this area.

The librarian attended several library-associated meetings and took a course at Keene State College. These contributed to the development of library skills and aid in the continuation of the best possible services for the Nelson community. The course at KSC was entitled "Library Reference Services" and was designed to teach skills for locating reference sources. The New Hampshire Library Association State Conference in Dixville Notch, the Area Library Forum in Peterborough and several area library cooperative meetings were also attended by the librarian.

Children and young adults continue to be an important part of the library's animated program. Story hour (23 held in 1995) is held on Tuesday and Thursday after school for interested kids. Sometimes there is a departure from a strict reading schedule to creating bulletin boards, playing computer games, building snow forts and flying kites. Six children were in the summer reading program and 24 books were read. Two young adults, Mary Warner and Angela Descoteaux started their community service project (16 hours volunteer time each) in December. Also Andrea Schillemat volunteered time to help in the library to earn a Girl Scout badge. Their help is much appreciated.

Another project this year was a one hour computer demonstration on uses of the computer in the library, that the librarian gave to the benefit of 4 library-associated people from Westmoreland.

The librarian and trustees of the Olivia Rodham Memorial Library would like to acknowledge several people in the community for the help and support they gave this year. They are as follows:

- Bette Lenox, Lindy Black and Toni Gleason for volunteering at the library to help do inventory, process books and catalog cards.
- Joan and Joanne Warner's time put in as substitute librarians.
- Dutch Gerbis for keeping the land surrounding the library beautiful and his help fixing boxes, signs etc.
- Marion Raynor for the Christmas wreath.
- The Monadnock Folklore Society for the benefit contra dance they sponsored in June.
- Bert Wingerson and Norrie Putzel for organizing and indexing the Bemis Papers that are housed in the library and are valuable for historic research projects.

- The Friends of the Library for their time and great efforts in hosting a very successful annual library book sale during Old Home Week.
- To all who donated books and magazines.
- To everyone who made donations to the library building fund.

With the community support the library receives, it continues to operate smoothly and efficiently. Thank you to all.

By request of library patrons, 303 books were secured through the inter-library loan system. Three research projects were undertaken and eleven books were loaned out to other libraries through inter-library loans.

\* Reimbursed from Building Fund.

\*\* \$379.99 spent for CD-ROM for computer

## OLIVIA RODHAM MEMORIAL LIBRARY FUNDRAISING REPORT

**SUMMARY:** The fundraising team was organized in early 1995 to raise sufficient funds to construct the new Olivia Rodham Memorial Library adjacent to Nelson's Town Hall. Two solicitation phases were organized: an advanced giving phase and a general town-wide solicitation. The initial target was to raise \$150,000 through private gifts and grants with the remainder of the project costs to be borne by the Town of Nelson. During 1995, the fundraising team raised a total of \$163,859 in cash and pledges.

**ADVANCED SOLICITATION:** The initial fundraising phase was kicked off in early February with a training session organized by Bill Robertson and Betsy Street. The advanced phase solicitors were teamed with the following responsibilities:

Carol Newcornbe and James Jarvela – Assigned solicitation  
Betsy Street and John Wright – Assigned solicitation  
Marion Raynor and Michael French – Assigned solicitation  
Carol Crawford and David Birchenough – Assigned solicitation  
Julie Rohr and Richard Lothrop – Assigned solicitation  
Richard and Betsey Church – Assigned solicitation  
Bill Robertson – Special assignments  
Henry Putzel – Special assignments  
Richard Church – Special assignments

These teams made an average of four calls with the target of raising \$100,000 by Town meeting in early March. This target was met and the Town approved the project at an estimated overall total cost of \$221,000, with \$150,000 to be raised by private donations and grants. The Advanced solicitation phase continued through the Spring and Summer in parallel with the general Town-wide solicitation. Karen Tolman came forward at this time to raise \$10,000 for the Albert Quigley reference and history corner.

**GENERAL SOLICITATION PHASE (PHASE 2):** The general solicitation phase was initiated in April with an expanded group of solicitors and again, Bill Robertson and Betsy Street handled the training sessions. Phase 2 consisted of both personal and mail solicitation. The solicitors who worked on this phase were:

Susan Peery	Joan Warner
Kathy Schillemat	Lew Derby
Karen Tolman	Natalie Germeroth
Don and Barbara Bennett	Sara Shepard
Rick and Hope Lothrop	Betsey Church
Julie Rohr	Betsy Street
Toni and Allison Gleason	Lee Trudelle
Ellen Roehrig	Mike French

These individuals averaged ten calls each and meetings were held bi-weekly through July to monitor progress and give help where needed.

**OTHER ACTIVITY:** We also need to recognize other significant activities: in July, Joey Geraci, Karen Tolman, and Bonnie Riley organized a showing of Albert Quigley paintings in the Nelson Town Hall. Also in July, the Monadnock Folklore Society held a contra dance in Town Hall and the proceeds were donated to the building fund campaign. The committee, with the help of Dave Upton, Treasurer, and Kris Finnegan, Librarian, made a successful grant application for a federal Library Construction grant of \$16,700 and have assisted contributors with securing matching gifts from employers where applicable.

**FINANCIAL REPORT:** Through 1995, the fund raising campaign has raised \$180,559 in gifts and pledges including the \$16,700 federal grant. This total consists of \$123,143 in cash and \$57,416 in pledges and grants. I would like to thank Dave Birchenough for his help in setting up computer programs and generating financial reports for the committee.

**CONCLUSION:** This has been a very successful fund drive. The various teams worked very hard last year to meet the targets and, in fact, we have exceeded the goal by 20% which can be used to cover cost overruns, interior work, or used for future expansion.

Respectfully submitted,

Michael French, Chairman  
Library Fundraising Committee

## REPORT OF THE CEMETERY BOARD

1995 was a busy year for us. We had five burials. Work was done on the front entrance of the newest addition to the cemetery. Our thanks to Troy Tucker who donated labor and time into forging the new gate. Russ Starkey constructed the pillars. Removal of fall leaves was difficult this year because of all the rain. The Packersfield monument needed repair due to weather deterioration of the mortar between the stones, causing them to fall out. We received a donation to cover the cost for this project. We want to thank the person who made this possible. A special dedication of the footstones replaced by Jacob Jarvela as his Eagle Scout project was included in the Memorial Day Services. The funeral service for May Sarton was held this fall. Many visitors came to our cemetery. Our trustees helped with the security of our cemetery during the service. Future improvement plans for the newest section of the Cemetery include fencing the boundary along the south side and conducting a survey for layout of the burial lots.

Respectfully submitted,

Cemetery Board:

Win French  
Al Struthers  
Teri Upton  
Bert Wingerson  
Sylvia Wright, Chair

## SEXTON'S REPORT

Everything seems to be going well with the Town buildings. We received \$2,905 in rental fees. It will be nice to eliminate the scheduled pumping of our holding tank and look forward to the additional space in the Town Hall. The small spruce tree (Bobby Curtis memorial) was replanted by the Old Brick Schoolhouse.

Win French  
Sexton

# REPORT OF THE NELSON FIRE CHIEF

## NELSON FIRE LOG

Structure	1	Car	3
Brush	5	Rescue	6
False Alarm	1	Mutual Aid	1
Training/Drill	4		

The Fire Station facility at the Town Barn is nearing completion. The installation of the chimney, furnace and heating system has been completed and the building now has heat. The electrical service has been installed with the overhead lighting complete. Some outlets have been installed with more to come. At this point we have a functional building and we are working on the details of dividing the equipment up between the two stations.

Hardware has been purchased for the two dry hydrants. Scheduling of their installation did not fit in with other activities. Completion of this project is planned for this year.

With some good detective work by Bud French, we were able to find a decent Rescue vehicle. This unit was purchased from Webster, NH, about mid-year and we are presently getting it painted. New batteries were bought and some minor work was done to meet inspection requirements. It will be going into service very shortly. We are requesting a special article this year for appropriate emergency lights for this vehicle. All of the equipment, including the radio, will be coming off of the old vehicle.

The fire department has gone through another typical year with the fire calls and other functions. It has also seen the continuation of supporting local activities, especially Old Home Day. Calls, as noted in the log, have been comparable to previous years. Both Rescue calls and Brush fires were up this year. We suggest to everyone who uses a wood stove to have the chimneys cleaned frequently and to inspect them on a regular basis during the heating season. Also, burn dry, seasoned wood to minimize creosote build up in the chimney.

Again, as in previous years, I encourage interested persons to join the department. We are always in the need of new members, especially those interested in being an EMT (Emergency Medical Technician). The department will pay for the training and will support the individuals in their activities. At this point we do not have any EMT's in town. We have one individual in training plus a few First Responders. We are in desperate need of additional volunteers in order to provide better service to the town. Any interested parties should contact the fire department. We know that in this day and age, it is difficult to be a volunteer, but this benefits both you and the town. Your insurance rates are kept lower by having an active fire department.

I'd like to thank all the active members for their continued effort and support, and remember, to report a fire or other emergency, **DIAL 911 or 352-1100.**

Respectfully,  
Rick Lothrop, Fire Chief

## REPORT OF THE POLICE DEPARTMENT

9-1-1 Hang-Up	1
Abandoned Vehicle	4
Accidents with Damage Only	8
Alarms	22
Animal Complaints	13
Assist Other Agencies	11
Boating Incident	1

Runaways	1
Suspicious Person	1
Suspicious Vehicle	3
Threatening	5
Trespassing	4
Total calls	116

The Nelson Police Department requests that all owners of alarm systems continue to make sure that they are properly maintained.

If you need assistance, call 9-1-1.

Respectfully submitted,  
Dick Descoteaux

## FIRE PERMITS

As stated in New Hampshire state law (RSA 224:27B), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, *without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.*"

Burning may be done before 9 a.m. or after 5 p.m. If it is necessary to burn during the day for commercial purposes, a special permit is required from the state Forest Ranger. It is also possible to burn during the day if it is raining, however, a written permit is still required. Written permission is required if an individual wishes to burn on land belonging to someone else, as well. If individuals wish to burn in an incinerator, a seasonal permit may be issued, but the burning must still be done before 9 a.m. or after 5 p.m. In Nelson, there is no charge for these permits at this time.

Permits may be obtained from:

Bob West	Murdough Hill Rd	847-9759
Rick Lothrop	Murdough Hill Rd	847-9045
Charlie Lang	Murdough Hill Rd	847-3277
Bud French	Town Barn	847-9705

## REPORT OF THE TOWN CLERK

Paid to the Treasurer:

Transaction	Number	Receipts
Vehicle registrations	762	\$50,271.00
Titles	122	237.00
Dog licenses	176	1,185.50
Dog licensing penalties	21	479.00
Marriage licenses	3	135.00
Research/copy Vital Records	12	160.00
UCC statements	13	195.00
Candidate filing fees	9	10.00
Sale of Town Materials/copies	18	155.95
Rabies Clinic		<u>632.00</u>
 Total Transactions	 1,136	
Total Paid to Treasurer		\$53,460.45

The annual cooperative **Rabies Clinic** will be held in the Nelson Town Hall on a Saturday during the Spring. Both cats and dogs may be vaccinated for rabies. Dogs must be on leashes and cats must be in carriers. Town Clerks from participating towns will be there to register dogs. Watch for informational notices about this on Town bulletin boards and in the Keene Sentinel.

State law requires that ALL local dogs are licensed. Fees will be collected, per RSA 466:13 – a \$25 forfeiture fee for each unregistered dog will be charged as of June 1, and per RSA 466:7 – a \$1 late fee for each month (after June 1) that a dog remains unregistered. A current Rabies Certificate **must** be presented in order to get a dog license.

Respectfully submitted,  
Kathleen F. Blaudschun  
Town Clerk

## REPORT OF THE BOAT AGENT

Number of boats registered: 27

Total boat fees collected	\$805.94
Minus fees forwarded to the State	<u>- 534.00</u>
Fees retained by Town	\$271.94

Respectfully submitted,  
Mary E. Davis  
Boat Agent

## VITAL STATISTICS -- 1995

Residents who have a birth, marriage or death in their family, need to make sure that NELSON is listed as their town of legal residence (do not use your mailing address). This is necessary to assure that documents are sent to this office for accurate record keeping of our Vital Records.

Respectfully submitted,  
Kathleen F. Blandschun  
Town Clerk

## REPORT OF THE ROAD AGENT

This has been a tremendously busy year for the Road Department. At the time of this writing, we are in the midst of an "Old-Fashioned Winter" with significant snow accumulations at regular intervals since Thanksgiving. Last January at this time we were experiencing one of the worst mud seasons I can recall. About 1200 yards of stone were expended, and that only took care of the worst spots.

The town purchased a temporary replacement vehicle for the old Dodge that burnt up last year. The vehicle purchased was a 1980 Chevy C-20. This truck will be maintained until a better vehicle shows up at Federal Surplus. Article 28 of this year's Warrant addresses this issue.

Storms that occurred in the fall of 1995 dumped 9" or more rainfall on the town. Extensive erosion occurred in several areas requiring unanticipated expenses for emergency repairs. Thanks to our aggressive ditch maintenance program, Nelson did not suffer damage as severe as some surrounding towns, but we did lose enough to qualify for Federal Disaster Relief Funds. Additional cleanup and reconstruction work will be performed in 1996.

Work was done at the site of the former Granite Lake Store/Post Office to complete the cleanup effort which followed the removal of underground gasoline tanks there. The work included paving, spreading loam and seeding the center area, and installing posts to protect the grass. This work was performed by the town road crew and funded by the state. Completion of this project was a co-operative effort involving the State, Draper Energy and the Town of Nelson. Thanks are due to Leonard Frasier for watering and maintaining the grass. The town was reimbursed \$ 8,998.03, the total cost of both labor and materials expended. Although in some regards this project was not necessarily the responsibility of the highway department, our taking care of it was in the town's best interest, because it insured that the project was completed. The funds expended came out of the highway budget, but the reimbursement goes into the general fund, so it appears that the highway department went over budget. However, the net effect on taxes is zero.

Repairs to Murdough Hill Road were made with partial funding by Park Construction. A portion of the road was shimmed and then given a sand seal to protect the shim. A breakdown of the funding is as follows:

Park paid for:     85 tons asphalt which they applied entirely  
                     284 tons asphalt which they paid and trucked, but the town applied

Nelson paid for: 36 tons asphalt which we applied entirely  
                     3,786 gallons of sealing oil  
                                 sand for the seal mix  
                                 labor/trucking for sealing

Additional issues remain with regard to Murdough Hill such as the corner by David Bower's. This project was performed in 1995 to bring the road to basic safety standards, additional issues will have to be addressed in future years as funding allows.

The remaining open question with regard to the Route 9 bypass is the continuing maintenance of the old section of Route 9. Currently the state is plowing and performing winter maintenance on this section of road. The Selectmen and your Road Agent are continuing to negotiate the final terms on this matter. Articles 22 and 23 of this year's Warrant deal with this issue.

The paving article from 1995 was used around the Mill Pond, McIntire Road and Old Town Road. The paving article in the warrant for 1996 is intended for paving on the Henderson Road, Center Pond Road from Wiecherts up to Warners, and in Nelson Village. This concludes a 15 year stretch of special paving articles that addressed resurfacing efforts to Nelson's paved roads. Now an annual preventive maintenance plan can begin which addresses issues before they become big \$ items.

Brush cutting, ditch maintenance and culvert maintenance are fundamental to good road maintenance for both paved and gravel roads. Clear road shoulders improve visibility and therefore improve safety. Clear road shoulders also improve drainage, reducing washouts, improving sun penetration, drying out icy or muddy situations and giving us room to push snow back in winter.

Please exercise caution and discretion during severe storms. Manpower and equipment limitations prevent us from being everywhere at once. Your updates on road conditions in your neighborhood are very welcome. If you discover a situation that needs attention, please DO call the town barn and leave a message, rather than assume we already know about it.

Frank Ball's passing this year has left a void, not only for his friendship, but for his sage advice on road and equipment issues. Frank was a very honest, devoted, loyal, thoughtful person with a huge heart. Frank and his wife Dottie were there in good times and bad, with a pair of experienced helping hands in a crisis, or a cup of coffee and a piece of some of Nelson's finest apple pie. We miss you Frank.

Much thanks are owed to Mike Tarr for his hard work and talents. He has a knack for making hard jobs easy. Thanks also to our newest road crew member, Lee Trudelle.

Remember that winter sand is available at the Town Barn for use by Nelson residents on their own personal driveways.

Respectfully Submitted,  
Winston O. (Bud) French  
Town Barn 847-9705

Below is a table showing the road maintenance equipment owned by the town. This table is to give you the taxpayer some idea of the usage of the Highway equipment plus the value of the pieces today and it's replacement cost today.

EQUIPMENT	USES	CURRENT VALUE	ESTIMATED USEFUL LIFE REMAINING	CURRENT REPLACEMENT COST	IDEAL LIFE EXPECTANCY
1986 Grader	Plows snow, wings snow banks, shim work on pavement, ditch work, grading cutting ice	\$65,000	10 years	\$115,000	20 years
1993 544G Loader	Loads trucks, moves equipment and snow, cleans ditches, used as a wheel barrow	\$56,000	14 years	\$80,000	15 years
1980 Light Duty Chevy Truck	Hauls brush and trash, pulls road rake, used for odd jobs	\$2,000  <b>Needs to updated or reevaluated this year.</b>	0 years	\$ 25,000	10 year
1995 8yd. Med Duty Dump Truck IH4900	Hauls gravel, sand, fill and hot top, plows snow, sands roads, used for other maintenance	\$64,000	14 years	\$ 65,000	15 years
1973 Mack Hvy Dump Truck M52A1	Extra heavy duty vehicle used to plow and wing snow, sand treacherous hills and haul gravel	\$ 4,500	3 years	\$ 80,000	20 years
John Deere Deere 401B Tractor	Mows sides of roads, pulls road rake and roller	\$ 4,000	3 years	\$ 35,000	20 years

## REPORT OF THE CONSERVATION COMMISSION

There were few Conservation Commission issues for the Nelson Conservation Commission (NCC) this year. All were looked into and followed through. We meet once a month in the Old Brick Schoolhouse at 7:30 PM on the second Tuesday of the month.

We, the NCC want the people of Nelson to know that we are here to work with you and assist you with any conservation issues that we can.

Last April the NCC went to Concord to help defeat House Bill 304. This bill would have allowed motor boats on Tolman Pond and Center Pond. Currently motors of any kind are not allowed on these ponds, they are designated for canoe and row boats.

The Granite lake issue, involving silt from the construction of new Route 9, is on the mend. Monitoring will continue for the next few years. The NCC will continue to be on top of this situation.

We are working on a few possible projects for the future. One project is to co-ordinate a project between the NCC and the Nelson School. We are exploring a program sponsoring a senior project with UNH. We are also going to be doing an update on Nelson Shorelines.

Remember that if you are going to be doing work near any water or wet area, it is very important to contact one of the board members and come to a meeting to discuss your project. Otherwise, you may find yourself paying a penalty to the state for failing to get a wetland permit.

Respectfully submitted,  
Bud French (chairman)  
Bert Wingerson  
Jim Jarvela  
Barbara Fraser  
Frankie Tolman

Note: We are looking for a few good minds to join us. We need to expand our committee to seven working members. Anyone interested in this should feel free to call me (Bud) or stop in at one of our meetings. Thanks!

## 1995 TOWN MEETING MINUTES

Moderator Ethan Tolman called the meeting to order at 12:04 PM on March 14, 1995. The day was overcast with temperatures in the high 30's. Moderator Tolman read article #1: "To choose necessary Town officers for the year ensuing." and article #14 Proposed amendments to the Nelson Zoning Ordinance and article #18 Proposed adoption of Dog Control Law, were moved and seconded. It was also moved and seconded that the reading of the rest of the warrant be waived until the start of the business meeting. The motion was passed by voice vote. The polls were declared open and the voting began.

Results of the election as follows:

Selectman - Walter Rohr	Tax Collector - Kathleen Blaudschun
Road Agent - Winston O. French	Police Officer - Richard Descoteaux
Fire Chief - Richard Lothrop	Sexton - Winston H. French
Town Clerk - Kathleen Blaudschun	Treasurer - Harold Gerbis
Library Trustee - Lee Trudell	Road Equip. Comm. - Robert Jones
Planning Board - Thomas Newcombe	Zoning Board of Adj. - Michael Blaudschun
Trustee of Trust Fund - Sylvia Wright	Auditor - Richard Lothrop
Cemetery Board - Winston H. French	Emergency Management - Richard Lothrop

### ARTICLES OF A GENERAL NATURE

Moderator Tolman open the meeting at 7:15 PM and a motion to defer the reading of the warrant was moved and seconded. It passed by voice vote. The meeting was reminded that the polls will remain open till 8:00 PM.

A motion to deal with Article 8 first was made and seconded. The motion was accepted by voice vote.

8. "To see if the Town will vote to raise and appropriate the sum of \$221,000 (gross budget) to build on the Quigley lot a new library with a connector to the Town Hall providing handicapped access to both facilities and a septic system to serve these two buildings and the Old Brick Schoolhouse. Funding considerations shall be as follows: a) withdraw \$38,000 from the Town Hall/Brick Schoolhouse Capital Reserve Fund; b) authorize the Selectmen to issue long-term notes in an amount not to exceed \$100,000 in anticipation of gifts and grants to this project; c) accept gifts in the amount of \$150,000 and d) raise the balance of \$33,000 through taxation. The Selectmen are to be further authorized to negotiate and issue such notes and determine the rate of interest thereon. This article will not be implemented until \$150,000 in pledges and/or grants has been secured. This article is non-transferable and non-lapsing for a period of 5 years. The Selectmen and the Library Trustees recommend this article (2/3 ballot vote required)." Selectman Terry Mednick made a motion to have the article be accepted as read. It was moved and seconded. He went on to explain some of the main reasons for the need of new library and renovations to the Town Hall and how the selectmen plan to handle the financing when the \$150,000 is raised. The Moderator asked the meeting to give permission for architect Tom Weller to answer questions relating to the project. It passed by voice vote. Mr. Weller responded to questions dealing with the proposed septic system. There was discussion on how the town and library funds would be spent on the project. Mr. William Robertson reported on the progress of the fund raising efforts. A motion was made for the call of the vote. It was seconded and passed by voice vote. Ballots were passed out. The results were: 98 YES 5 NO The article passed.

A round of applause followed at the reading of the results.

Moderator Tolman asked that at this time, if there was anyone who still wished to vote for officers, Art. 8 and Art. 14. Not seeing anyone polls were declared closed at 8:06 PM. Other announcements were that the minutes of the special town meeting that was held August 3, 1994 were left out of the town report and that copies are available from the town office, also there was a correction on page 32 of the town report in the town clerks report. The figure should read \$49,320.03. The Boy Scouts would be selling refreshments at the rear of the hall.

2. "To see if the Town will vote to raise and appropriate the sum of \$82,675 to defray Town charges for the year ensuing." (The 1994 appropriation was \$84,380.) It was moved and seconded that the article be accepted as read. A call for the vote was made. It passed by voice vote. The article passed by voice vote.

3. "To see if the Town will vote to authorize the Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19." It was moved and seconded that the article be accepted as read. The article passed by voice vote.

4. "To see if the Town will vote to raise and appropriate the sum of \$3,500 for stone pillars and an iron gateway into the new section of the Nelson Cemetery (land donated by Henry Fuller; stonework estimate \$3,200; iron gate materials estimate \$300, labor supplied and donated by Troy Tucker). The Cemetery Board and the Selectmen recommend this appropriation." It was moved and seconded that the article be accepted as read. Win French, Sexton explained that the Cemetery Board has been searching for additional land and that Henry Fuller has come forward to generously donated a piece of land directly across the road from the old cemetery. A round of applause was given to Mr. Fuller for his kind donation. Mr. French went on to say what the future needs of the cemetery were. It passed by voice vote.

5. "To see if the Town will vote to raise and appropriate the sum of \$1 to be added to the Revaluation Capital Reserve Fund. The Selectmen recommend this appropriation. (There was no appropriation in 1994. The current fund balance is \$10,519.14.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

6. "To see if the Town will vote to authorize the withdrawal of \$3,250 from the Revaluation Capital Reserve Fund for the purchase of computer hardware and property valuation and billing software. The Selectmen recommend this appropriation." It was moved and seconded that the article be accepted as read. Selectman Mednick explained how the State contracted to have software developed to help towns with their accessing needs. It is offered to towns at a very reasonable amount of \$3 a parcel. This software will be required when we come to the point of doing a revaluation of the town. Selectman Mednick answered several questions dealing with training, support and compatibility of software. The article passed by voice vote.

7. "To see if the Town will vote to raise and appropriate the sum of \$12,776 for support of the Town Library. (The 1994 appropriation was \$9,452.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

9. "To see if the Town will vote to raise and appropriate the sum of \$1,800 as its share of the operating costs of the Home Health Care and Community Services. (The 1994 appropriation was \$1,800.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

10. "To see if the Town will vote to raise and appropriate the sum of \$535 as its share of the operating costs of Monadnock Family and Mental Health Service. (The 1994 appropriation was \$544.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

11. "To see if the Town will vote to raise and appropriate the sum of \$1 to be added to the Town Hall/Schoolhouse Capital Reserve Fund for the renovation or remodeling of the Town Hall or Old Brick Schoolhouse, it being understood that no withdrawals may be made from the fund except by vote of the Town. The Selectmen recommend this appropriation. (In 1994, \$1 was appropriated. The current fund balance is \$38,296.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

12. "To see if the Town will vote to raise and appropriate the sum of \$200 as the Town's share of costs for participating in the Household Hazardous Waste Collection to be held at the Keene Department of Public Works on Saturday, June 17, 1995 from 9 a.m. to 1 p.m." It was moved and seconded that the article be accepted as read. The article passed by voice vote.

### ARTICLES DEALING WITH PLANNING & ZONING

13. "To see if the Town will vote to raise and appropriate the sum of \$605 as the Town's share for membership in the Southwest Regional Planning Commission. (The 1994 appropriation was \$544.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

14. To vote on the proposed amendments to the Nelson Zoning Ordinance (written ballot required):

*The following proposed amendments to the Nelson Zoning Ordinance were written by the Nelson Planning Board, in consultation with the Nelson Zoning Board of Adjustment. Their purpose is to clarify the wording of the ordinance so that it conforms with long standing practice and state law. These amendments were unanimously approved at the public hearing held on Thursday, January 12, 1995.*

#### Article 6 Definitions

**Non-conforming structure** - a structure which does not conform with the current dimensional, setback, site design, and/or environmental provisions of this Ordinance, or with any other provision of the Ordinance by reason of the structure's existing physical characteristics or location.

The results of the ballot vote: 99 YES    24 NO    The amendment passes.

**22.32 Expansion of Non-Conforming Structures (Rural-Residential District)**

**23.22 Expansion of Non-Conforming Structures (Lake District)**

Unless otherwise prohibited by law, and upon the granting of a special exception by the Zoning Board of Adjustment, non-conforming structures lawfully existing prior to the effective date of this Ordinance may be expanded provided that:

the proposed expansion would not extend the structure closer to a lot line whose distance from the existing structure is already less than the minimum setback requirements of this Ordinance;

the proposed expansion would not result in a non-conforming use which is new or substantially different from the structure's existing use;

the proposed expansion would not adversely impact or diminish the value of abutting property or the neighborhood, or create a hazard to individual or public health, safety, or welfare;

the proposed expansion would conform with all other provision of the Ordinance, and with such other Town regulations as may apply.

Any expansion likely to increase the sewerage load, such as the addition of a bedroom or the conversion of a seasonal dwelling to year-round use, shall require evidence of prior approval by such State agencies as may be required by law.

The results of the ballot vote: 97 YES 28 NO The amendment passes.

**Section 57 Numbering and Titles**

The Planning Board shall have the authority to re-number the sections of the Ordinance and modify the wording of section title in order to maintain the sequence and clarity of their printed format.

The results of the ballot vote: 102 YES 21 NO The amendment passes.

**ARTICLES DEALING WITH SERVICE AND PROTECTION**

15. "To see if the Town will vote to raise and appropriate the sum of \$4,500 as a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 1994 was \$3,000.)" It was moved and seconded that the article be accepted as read. Selectman Mednick explained the reason for the increase. It is a overlap from last year and it will go down next year. The article passed by voice vote.

16. "To see if the Town will vote to raise and appropriate the sum of \$5,000 for the proper expenses of the Police Department. (The 1994 appropriation was \$5,000.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

17. "To see if the Town will vote to raise and appropriate the sum of \$1,500 to repaint and reletter the Nelson Police Cruiser." It was moved and seconded that the article be accepted as read. The question was raised of the life expectancy of the vehicle. Chief Descoteaux responded that the cruiser is a 1988 GMC, Nelson has had it for 5 years, last year the motor was replaced under GMC warranty for a cost of \$200 to the town, and that mechanically it is close to new, and now there is a warranty on the motor. The body needs work but after that it should be good for 2 to 3 years. The article passed by voice vote.

18. "Shall we adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and/or when used for hunting, herding, supervised competition and exhibition or training for such? (written ballot required)" The results of the ballot vote: 76 YES 52 NO The article passed.

19. "To see if the Town will vote to raise and appropriate the sum of \$5,000 for the proper expenses of the Fire Department and Rescue Squad. (The 1994 appropriation was \$5,000.)" It was moved and seconded to accept the article as read. The article passed by voice vote.

20. "To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Fire Equipment Capital Reserve Fund, it being understood that no withdrawals may be made from the fund except by vote of the Town and upon recommendation of the Fire Department. The Selectmen recommend this appropriation. (The 1994 appropriation was \$10,000. The current fund balance is \$52,632.03.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

21. "To see if the Town will vote to authorize the withdrawal of \$5,000 from the Fire Equipment Capital Reserve Fund for the purchase and modification of a used rescue vehicle. This article shall be non-lapsing until the day of Town Meeting in 1996. The Selectmen recommend this appropriation." It was moved and seconded that the article be accepted as read. The article passed by voice vote.

22. "To see if the Town will vote to raise and appropriate the sum of \$1 to be added to the Fire Station Capital Reserve Fund, it being understood that no withdrawals may be made from the fund except by vote of the Town and upon recommendation of the Fire Department. The Selectmen recommend this appropriation. (The 1994 appropriation was \$1. The current fund balance is \$5,850.41.)" It was moved and seconded that the article be accepted as read. Selectman Mednick gave an update of the progress of the building, that it is up and enclosed. A call of the vote was made. It passed by voice vote. The article passed by voice vote.

23. "To see if the Town will vote to raise and appropriate the sum of \$2,000 and authorize its withdrawal from surplus for the purchase and installation of 2 dry hydrants. This article shall be non-lapsing for two years or until the project has been completed, whichever comes first. The Selectmen recommend this appropriation." It was moved and seconded that the article be accepted as read. The question was asked about surplus. Selectman Mednick explained the new way required in wording articles and that was the reason for the word surplus, this article was voted last year but not spent. The article passed by voice vote.

## ARTICLES DEALING WITH ROADS

24. "To see if the Town will vote to raise and appropriate the sum of \$125,000 for general highway expenses and labor in the maintenance of the Town's roads and bridges. (The 1994 appropriation was \$122,000.)" It was moved and seconded that the article be accepted as read. The vote was called for. It passed by voice vote. The article passed by voice vote.

25. "To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the Town and upon recommendation of the Road Equipment Committee. The Selectmen recommend this appropriation. (The 1994 appropriation was \$1. The current fund balance is \$9,929.22.)" It was moved and seconded that the article be accepted as read. The article passed by voice vote.

26. "To see if the Town will vote to raise and appropriate the sum of \$10,000 for materials for shim work on all paved sections of town roads EXCEPT Murdough Hill Rd. This sum is to be non-lapsing for two years or until the completion of the projects, whichever comes first. Labor, trucking and application shall be paid from the general highway budget (article 24). The Selectmen recommend this appropriation." It was moved and seconded that the article be accepted as read. There was discussion of what is going to be happening about the road conditions of Murdough Hill Road after the Rt 9 re-location is complete and the concern of the sharp corner, Selectman Mednick responded that the State has been told that it is an unacceptable situation. The article passed by voice vote.

27. "To see if the Town will vote to raise and appropriate the sum of \$21,133 for a light duty truck and plow for the highway department. This vehicle may be used or new. A new truck will be purchased or leased if a good use truck cannot be found by 03/15/95. Funding for this article may come from general taxation, by way of a withdrawal from the Road Equipment Capital Reserve Fund or a combination of the above. The Selectmen and the Road Equipment Committee recommend this appropriation." It was moved and seconded that the article be accepted as read. Selectman Mednick explained that the article was written to allow options to be discussed at this meeting. Research to find a surplus truck has found that none were available but other used trucks have been found to be checked out. The question of buying used over new were discussed. The cost of down time and repairs on a used vehicle sometimes surpass the vehicle's value. Bob Jones suggested that if a used truck is found it should be given a life expectancy to be used to evaluate when it should be replaced. Road Agent Bud French explained the situation the Highway Dept. is in. The 1978 Dodge pick-up they were using burned up the first of January. The Highway Dept. is now renting a pick-up till a truck is found. Bud has been searching for a pick-up since January and at this time hasn't found one that fits the departments' needs. Federal Surplus does not have any trucks that fits the towns' needs available at this time. Another option that's being explored is working through a Federal program, Northstar, a drug eradication program. The Highway Dept. feels it can get by with a used truck but wanted the meeting to be aware of all the options. Selectman Mednick offered the amendment "To see if the Town will vote to authorize the withdrawal of \$5000 from the Highway Road Equipment Capital Reserve Fund for the purchase and modification of a used vehicle. This article shall be non-lapsing until the day of Town Meeting in 1996." The amendment was moved and seconded. Michael Blandschun brought up again the concern of the cost of maintenance and down time on a used vehicle verses buying new. There was more discussion on the amendment, was \$5000 enough for a good used vehicle and will a good used truck become available. Barry Tolman spoke in favor of waiting for something from surplus. The question on how

much was put into the 1978 Dodge, that cost \$800 from surplus. Road Agent French answered that the town had spent \$10,426.62 on the '78 Dodge and has cost the town an average of \$2085/yr. Bob Jones stated that a new truck over a life of 10 years would cost you much less than what you have invested in a used vehicle. Selectman Matthew Tolman proposed the option of taking a truck that runs and use that truck now. Taking a gamble, we can find a good surplus truck, (one that Bud likes) by next fall. If that doesn't happen then we re-evaluate what we'll before winter. A call for a vote was made. It passed by voice vote. A voice vote on the amendment was unclear to the Moderator, so he called for a standing vote. A standing vote was taken: 54 YES and 22 NO, the amendment passes.

28. "To see if the Town will vote to raise and appropriate the sum of \$20,299.40 and authorize its withdrawal from surplus for the 1995 payment on the International dump truck presently being leased by the Town. The Selectmen recommend this appropriation." The article was moved and seconded to be accepted as read. Selectman Mednick explained the reason for this article is due to DRA not allowing our article as passed at last years Town Meeting. This is basically a housekeeping article. The article passed by voice vote.

### OTHER ARTICLES

29. "To transact any other business or discuss other warrant proposals as may legally be brought before the meeting." Selectman Walter Rohr asked the Town to publicly give their thanks to John B. Wright for holding the office of Town Treasurer for the last 6 years. Threw his leadership the job has become more automated and the town has seen significant reduction in the amount the town has had to borrow in anticipation of taxes. A standing ovation followed. A motion to adjourn was moved and seconded.

The meeting was adjourned at 9:40 p.m.

Respectfully submitted,  
Kathleen F. Blaudschun  
Nelson Town Clerk

## SUMMARY OF THE ANNUAL MEETING OF THE GRANITE LAKE VILLAGE DISTRICT

The annual meeting of the Granite Lake Village District was held on Sunday, July 9, 1995. It was voted to lower the lake level 4-5 feet for the winter months including spring runoff in order to deter weed and grass growth. As lowering in the winter of 1995 for the purpose of silt clean-up seemed to work well, it was decided to take the measure further for this winter. In additions, the board voted to raise and appropriate \$1,000 each for capital reserve and liability insurance respectively.

Respectfully,  
Sally Ripley, secretary

## COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

*Phillip G. McCormack, Ed.D.*  
*Superintendent of Schools*

**STATE OF NEW HAMPSHIRE**

**SCHOOL WARRANT**

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 8th day of March, 1996, at 3:00 O'Clock in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 3:00 p.m., and will remain open for not less than five hours.

ARTICLE 1: To choose all necessary school district officers:

A member of the school board for the ensuing three years  
A moderator for the ensuing year  
A clerk for the ensuing year  
A treasurer for the ensuing year from July 1, 1996

Given under our hands at said Nelson, this 14th day of February, 1996.

*John B. Wright, Chair  
Lewis E. Derby  
Susan M. Peery*

## STATE OF NEW HAMPSHIRE

### SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in school affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 8th day of March, 1996, at 7:00 O'Clock in the afternoon to act upon the following warrant articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen and to pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 3: To see if the District will vote to raise and appropriate the sum of One Thousand and Six Hundred Eleven (\$1,611.00) Dollars to expand the foreign language program at Nelson School, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 4: To see if the District will vote to raise and appropriate the sum of Five Thousand (\$5,000.00) Dollars to be deposited in the Capital Reserve Fund established by the voters of the District at the March, 1972 District Meeting for the purpose of construction, reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 5: To see what sum of money the District will vote to raise and appropriate in support of the lawsuit brought against the State of New Hampshire by Claremont, Franklin, Lisbon, Pittsfield and Allenstown, or to take any other action in relation thereto. *(The school board supports favorable action on this warrant article.)*

ARTICLE 6: To transact any other business which may legally come before this meeting.

Given under our hands at said Nelson, this 14th day of February, 1996.

John B. Wright, Chair  
Lewis E. Derby  
Susan M. Peery

### *INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of the School Board  
Nelson School District  
Nelson, New Hampshire

We have audited the accompanying general-purpose financial statements of Nelson School District as of and for the year ended June 30, 1995. These general-purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Nelson School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of Nelson School District, as of June 30, 1995, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of Nelson School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

## **NELSON SCHOOL DISTRICT MEETING**

### **March 10, 1995**

The checklist was handed over to the clerk and signed by the clerk and the supervisors of the checklist. School District Moderator Pro Tem, Mary Davis, officially opened the polls at 3 p.m. for persons wishing to vote for the officers listed by non-partisan ballot, as required by law, at the Nelson Town Hall.

The meeting was called to order by School District Moderator Ethan Tolman at 7:00 p.m. He announced that the polls would be open until 8:00 p.m. for the voting of the officers and that there would be an informational meeting with the school board members after the regular District Meeting for those who wished to stay. The Moderator then explained the rules of the meeting and asked that the reading of the warrant be dispensed. It was so moved, seconded and passed by voice vote.

The Moderator then introduced those present from SAU 29. They were: Phillip McCormack, Superintendent of Schools; Richard Pike, Superintendent of Towns; and John Harper, Business Manager.

ARTICLE 1: "I move that the District receive the reports of agents, auditors, committees and officers as printed in the annual report." The motion was seconded and passed by voice vote.

ARTICLE 2: "I move that the District raise and appropriate the sum of \$977,479.00 for the support of schools, for the salaries of school district officials and agents, and for the statutory obligations of the District." The motion was seconded. John Wright, Chairman of the School Board, then reviewed the budget detailing several areas. One change since public hearing was that two more students would be added to the tuition to Keene schools. Article 2 passed by voice vote.

ARTICLE 3: "I move that the District raise and appropriate the sum of Three Thousand, Eight Hundred (\$3,800.00) Dollars to allow the grade five and six students of the Nelson School to attend environmental camp." The motion was seconded and passed by voice vote.

ARTICLE 4: "I move that the District raise and appropriate the sum of Three Thousand (\$3,000.00) Dollars for playground improvements, including fencing, fertilizer, seed and lime." The motion was seconded and passed by voice vote.

ARTICLE 5: "I move that the District raise and appropriate the sum of Five Thousand (\$5,000.00) Dollars to be deposited in the Capital Reserve Fund established by the voters of the District at the March, 1972 District Meeting for the purpose of construction, reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes." The motion was seconded and passed by voice vote.

ARTICLE 6: "I move that the District authorize and empower the school board to borrow up to One Hundred Twenty Thousand (\$120,000.00) Dollars, representing the State of New Hampshire share of special education costs for the 1995-1996 school year, pursuant to R.S.A. 198:20-D upon such terms and conditions as the board determines in the best interests of the District; said sum together with the costs of borrowing to be repaid by the State of New Hampshire pursuant to R.S.A. 186:C-18." The motion was seconded and passed by voice vote.

Ethan Tolman, Moderator, announced at 8:00 p.m. that the polls were closed. He also called for a round of applause for the decorations that the students from Nelson School had put up around the town hall.

John Wright, Chairman of the school board, then thanked SAU 29 officials for their great support to the Nelson School staff and school board members, from volunteering to chaperone the Ellis Island trip to answering a sewer alarm on Christmas morning.

ARTICLE 7: "I move that the meeting be adjourned." The motion was seconded and passed by voice vote.

The meeting was adjourned at 8:15 p.m.

The ballots for officers were then counted and those elected to office were:

Moderator	Ethan Tolman
Treasurer	Hope Lothrop
School Board	John Wright

Respectfully submitted,

*Laurie Derby*  
Clerk, Nelson School District

A True Copy Attest:

*Laurie Derby*

## ADMINISTRATIVE REPORT

The research on quality schools identifies the significance of a focus. In short, it maintains that unless a school has developed a direction, aim or focus, it will not be able to produce quality. It is very obvious to me that Nelson School has a focus which has resulted in the introduction and expansion of quality programs and meaningful learning opportunities for students.

This focus did not occur by chance, but rather by the commitment, collaboration, and hard work of the staff, administration, and school board. Again, this past spring, the teachers, school board members and representatives from SAU 29 met on a Saturday in April to identify school goals for the 1995-1996 school year. As was the case with the first such meeting in 1994, I think substantive action resulted. In keeping with the general direction of the first meeting, it was decided that the focus would remain "quality programming".

An action plan was also developed that would facilitate the efforts of those involved to identify indicators of quality, develop a mission statement for the school that would reflect its commitment to quality, and develop an assessment program that would help evaluate program effectiveness and student progress. The staff and school board have spent considerable time reviewing several examples of models (national as well as state) of excellence which identify characteristics of effective schools. Knowledge gained from this review has helped the staff with its decisions relative to what happens to and for children on a daily basis at Nelson School.

The staff has continued its efforts to plan, develop and implement programs and activities that challenge students and promote academic growth. The staff has taken advantage of federal (Eisenhower and IDEA grants) and local funding to become involved in training focusing on instruction (content and methodology) in science and math and on techniques which foster the inclusion of students with special needs into the regular education classroom.

The decision by the school board to re-configure classroom grouping patterns and to add additional staff in response to an overload in the primary grades has provided the staff with reasonable student-teacher ratios that allow for individualized attention. This is particularly important given that the Title I program has been discontinued at the school. This federally funded program provided remediation in reading and math to students in individual and small group settings. The program was discontinued because Nelson no longer met the eligibility criteria established by the federal regulations relative to the number of students living in foster homes, families receiving AFDC payments, families below the poverty level as determined by the 1990 census, and children in institutions for neglected children.

The staff at the school are committed to quality and share in the vision of success for each student. They work very well together to develop and implement integrated units of instruction which enhance the relevancy of the material presented to students and the follow-up activities students experience, to challenge students to higher levels of achievement, and to communicate with parents and community members to maintain a high level of support and involvement.

The community should be proud of the quality that is evident at Nelson School. Community members must remain active in the schools, be informed of issues related to the school, engage in discussions about the future of the school, and be equally committed to the maintenance of excellence. Please be a part of the process that permits this to happen. Plan to attend the annual District Meeting on Friday, March 8, at 7:00 p.m.

*Phillip G. McCormack, Ed.D.  
Superintendent of Schools*

## STAFF REPORT

Seventy-three students began the school year on August 30, 1995 -- eight more than last year. We were pleased to welcome Nolan Kitfield as our new third and fourth grade teacher. In addition, Trisha Jones came on board as our school nurse, foreign language instructor, and school secretary. Dwain Hammett also joined us as our art and music teacher.

This year, as always, we have had many reasons to appreciate the community spirit that abounds in Nelson. Community members have been extremely supportive of our school, its programs, students and teachers. The support continues to benefit our students as seen in the new field and fence.

The Nelson School staff, in partnership with the community, strives to create an environment which fosters lifelong learning. We continue to enjoy the challenge of new and interesting programs such as the staff management concept, inclusionary education, integrated whole-school units, and the kindergarten through grade 6 foreign language program.

*Karen Almdale  
Melinda Belden  
Cynthia Benner  
Nolan Kitfield*

## CHAIRMAN'S REPORT

The Nelson School continues to improve in its efforts to ensure success for every Nelson student. If this is occurring, then students should arrive in the morning excited to be at school. They should be challenged throughout the school day. They should be exposed to new ideas, new knowledge, new cultures, new skills. At the end of the day, they should leave feeling confident in themselves and proud of what they accomplished.

In September, we welcomed Nolan Kitfield as our new Grade 3-4 teacher. We also realized last spring that we had a bigger enrollment coming than we were expecting -- 70 students in kindergarten through grade 6! We are projecting an increased enrollment next year at Keene Middle School and High School as well as Nelson. As a result, the classes are configured differently from previous years, and we had to increase staff time. We now have five full-time teachers:

Amy Hathaway	K-1
Cindy Benner	1-2
Nolan Kitfield	3-4
Melinda Belden	5-6
Karen Almdale	Inclusion (Special Education)

If the school board awarded medals for Most Improved and Most Valuable Player, without question, both of those medals would go to the Nelson staff as a team. They are doing things that other schools dream about. They are excited about what they are doing. They approach their work seriously and professionally. Best of all, they look at each student as an individual and treat each student as one of their own children. We are very fortunate to have such a dedicated staff.

During the year, we schedule several joint meetings between the staff, school board, and SAU administration. One of these is an all-day workshop in the spring. In the fall, we meet jointly to develop the budget. We are able to talk about the big picture. What would improve our school? What are the budget impacts? Many improvements have come as a result of these group sessions. This year we are finishing a quality assessment of the school. The curriculum now fits better as a student goes from grade to grade. Parents receive more information in the form of a narrative for a progress report. And so on.

The community deserves big thanks for its ongoing support for the Nelson School. People sometimes tell me that being on the school board must be a thankless job. My reply is, "Not in Nelson." The community pride and spirit that stands behind our school is constantly evident.

Finally, as your school board, we welcome your comments and suggestions, and invite you to any of our meetings. Help us ensure success for every Nelson student.

*John B. Wright, Chair  
Nelson School Board*
